Picture Day Tuesday Nov 9th.

North Atlantic Studios will be coming to take individual and class photographs at both sites on Tuesday November 8th. The photographer does a great job, especially with children who are a bit reluctant to be photographed! North Atlantic Studios have photographed our children for many years, and the class photos make for wonderful memories! If your child doesn't normally attend on Tuesdays, you are welcome to come in for pictures. Siblings are also welcome. More information and pricing will be coming from the photographer at a later date.
